Security Deposit Agreement

When renting an RV from Quality RV Service and Rentals, Inc we will collect a Security Deposit, before your departure. The Security Deposit is to insure that our units return in the same condition they left in, clean and undamaged.

We inspect each unit before and after the rental. If the unit returns with damage inside or out you will forfeit a portion or all of your Security Deposit.

Please be aware of this before you rent!

You are responsible for all damages to the unit while it is in your possession; whether it occurs from someone in or out of your party. Smoking is prohibited in all units, if we smell cigarette smoke no refund will be given.

Some of the most common damages that occur are cuts on canvas or screens, cuts or damage to the floor and cabinets, awnings and hardware, antennas, body damage, stabilizing jacks, excessively dirty interior or exterior, etc. The most common reason for exterior damage is caused by leaning objects against the side of the RV.

Before your departure you will be given an opportunity to list any damage that you see inside or outside with a representative. Please take the time to do so. We strive to maintain all of our units top to bottom so that future renters will also have an enjoyable experience. We understand that accidents happen from time to time and we will make all necessary repairs as soon as possible.

We also like feedback (good and bad) so we can make sure we are doing our best to make your camping experience a good one. If you notice any broken or missing items, any broken appliances or anything of that nature. Please inform us of these so we can make necessary repairs.

We ask that you treat the unit as if it were yours!
Have a great trip!

Thank You,
Quality RV Service & Rentals, Inc.
